VI. REPORTS

REPORT OF THE BOARD OF TEMPERANCE

Report of the Board of Temperance of the South Carolina Conference, held at Silver Hill Church, Spartanburg, South Carolina, October 24-29, 1950.

Your Conference Board of Temperance has been both diligent and vigilant during the past conference year.

We view with increasing alarm, the increase in State licensed liquor stores springing up in the State. We are aware that if there were not a demand for alcoholic beverages these stores could not exist. We are almost discouraged at the indifference on the part of some ministers in all of our Churches and many of our members.

The staggering amount spent for liquor annually is shocking and the increasing amount consumed is appalling. Our young people in many instances think it smart to both smoke and drink and many are picking up the habit without any consideration whatever as to the harmful effects.

At times the picture is both dark and discouraging; but we shall not be bought, bribed, frightened or defeated.

Right may be on the scaffold and wrong may be on the throne, but in the shadows standeth God still watching over His own. Therefore, we have not folded our arms in utter despair nor ceased to fight with every legitimate means and methods at our disposal.

With the very atmosphere about us charged with the spirit of advance, we have caught the spirit, marshalled our forces and achieved the following results. We have conducted four one-day institutes; one at Lamar, where the Sumter, Florence and Bennettsville Districts joined.

The president of our Board could not be present, but the program had been so carefully prepared that it went forward successfully in his absence. This institute was held February 15, 1950. Among the instructors were, Professor Mims, Rev. Jenkins of Claflin College and the Rev. Wilkes; all products of the Yale School of Alcohol Studies.

On March 14, we held an institute at St. Stephens at Sumter's Chapel Church. The attendance there was the best. One hundred and fifty people spent the day and evening at this institute.

Dr. Grant of the Charleston District and Dr. President of the Berkeley District were both present and assisted in making the day a success.

On March 15, we were at Shady Grove on the St. George Charge where the Beaufort and Orangeburg Districts met.

And on March 17, we were at Wellford where we served the Greenville and Spartanburg Districts. Dr. A. D. Betts, joined our faculty at Wellford.

At these institutes we attempted to get over the truth about alcohol; its effect upon the human system and urge total abstinence as a safe and Christian attitude to adopt as a way of life.

The approved approach to this question of the alcohol problem is the educational approach, therefore your Board has adopted this approach and is attempting to proceed with a program of Temperance Education.

We have had two meetings of the Board this year and one

meeting of the Executive Committee. At these meetings, we attempt to study the problem, suggest and approach and plan a program of procedure. All the members of the Board have shown an interest in the work and we do here and now thank the Conference for the financial support given, without which it would have been impossible to accomplish this work.

We offer the following recommendations:

1. That each pastor organize a Temperance Committee in each Church; and encourage said committee to promote a vigorous program of Temperance Education.
2. That we observe Commitment Sunday as designated throughout the Church and that the pastors lead their congregations in making a commitment to abstain from the use of all alcoholic beverages.

February 4, 1951 is designated as Commitment Sunday, but where a pastor has more than one church, we recommend that he use any Sunday in February he may desire.

We further recommend that our pastors, church officials and members set the proper example before our young people by voting for principles instead of parties and urging the election of state and national officials, who shall make and execute laws which shall be for the best interest of our people and destroy those evil influences which are undermining the morals of our national life.

Respectfully submitted,

J. Wilton Shuler, Secretary
A. R. Howard, Chairman

REPORT OF THE BOARD OF EDUCATION

Your Conference Board of Education in cooperation with the General Board of Education has sought earnestly to do its part in the vast educational program of our great Church. We have used every means to promote the "Advance for Christ and His Church Program" in our Conference. The Board has sought to work with other conference boards in presenting the total program of Methodism to our constituency that together we might go forward with the task of building Christ's kingdom on earth.

As we complete this conference year, we express our un-

feigned gratitude to Bishop J. W. E. Bowen, the District Superintendents, Pastors, Church School Superintendents, local Boards of Christian Education, Church School workers, and our entire constituency for their cooperation and loyal support. We are especially grateful to the administration of Claflin College for the wonderful way it has cooperated in making the facilities of the College available to us. Without the help of all concerned very little could be accomplished in our program of Christian Education.

H. V. MANNING

RECOMMENDATIONS—THE BOARD OF EDUCATION

1. That special attention be given to Race Relations Sunday, Methodist Student Day and Church School Rally Day.
2. That Race Relations Sunday Funds, total amount as per paragraph 198 of the discipline be sent to our conference Treasurer to be sent to the General Board of Education for Claflin College.
3. That Methodist Student Day funds be sent to the Conference Treasurer to be sent to the General Board of Education for Student Loan Fund as per paragraph 197 in the discipline.
4. That Church School Rally Day be observed and funds be sent to the Conference Treasurer earmarked "The Board of Education."
5. That World Service Sunday be observed the fourth Sunday in each month in the church schools and funds be used for World Service. Keep in mind that the service and contribution have educational value.
6. That our students in high school be encouraged to attend Claflin College; the names and addresses of those in the senior class be sent to the Executive Secretary.
7. That every church be represented in whatever program, institute or training session sponsored by the Board of Education.
8. That special attention be given to the Methodist Youth Fund.

9. That every pastor support the School of Missions and Leadership Enterprise to be held at Mather Academy.
10. That the Camp and Training Christian Workers School at Mather Academy be changed to Intermediate Camp and Christian Workers School.
11. That all District Superintendents submit to the Executive Secretary the names of their educational staff.
12. That there be a Senior-Young People Camp and Christian Workers School held at Claflin College.
13. That preparation be made in the beginning of the year for district and local church programs of Christian Education.
14. Whereas, there has been an overwhelming demand from time to time for scholarship for worthy students from various charges over the conference. Whereas, these requests have reached the proportion beyond which the College is able to absorb. And whereas, we feel these worthy young people should not be denied the opportunity for a college education. Therefore, be it resolved that each local church be encouraged through its youth organization and church school to raise necessary funds to supplement expenses of worthy students. This money should be sent directly to the College as a scholarship for the student from that charge. This will encourage the young people of the charge to get an education and also return to local community and render service.
15. Whereas, the College is the child of the South Carolina Conference. Whereas, Claflin College makes a unique contribution to the area in which it is situated and to the ministry of the church. Whereas, phenomenal progress has been made in the construction and renovation of the physical plant and the securing of a competent faculty. Whereas, for the first time in the history of the institution it has an "A" rating. Whereas, the present program needs to be rounded out in order to keep what has been achieved. And whereas, much is given in the way of scholarship to the students who enroll in the institution. Therefore, be it resolved that the South Carolina Conference note its responsibility to the institution both spiritual and financial.

COMMISSION ON CHRISTIAN VOCATIONS

—RECOMMENDATIONS—

Whereas, the Commission on Christian Vocations of the South Carolina Conference is aware of the needs of the Church they wish to submit the following recommendations:

That the Conference Board of Ministerial Training cooperate with the Commission on planning a Conference primarily for young men who may be candidates for the pastoral ministry. (Purposes: **guidance, counselling, and following up procedures.**)

That a Conference be held on Church Vocations which will include all young people who are seriously considering church vocations as a life work such as: **medicine, teaching, social work, etc.**

That a Clinic on Christian careers be held at the College for college students. These Conferences are to be held at a time that the Bishop, District Superintendents and other Personnel are available.

That each District through its Board of Education recruit young people for college training who have made commitments to pursue Christian careers and inform the college of same.

That scholarships be awarded on the district basis after an investigation has been made as to the economic status of the student and upon recommendations of the District Board of Education and District Superintendent.

That a quota be set for each District or Charge for the purpose of recruiting young people for Christian Vocations.

That these Conferences be financed by the various Boards and Commissions of the Annual Conference.

9. That every pastor support the School of Missions and Leadership Enterprise to be held at Mather Academy.
10. That the Camp and Training Christian Workers School at Mather Academy be changed to Intermediate Camp and Christian Workers School.
11. That all District Superintendents submit to the Executive Secretary the names of their educational staff.
12. That there be a Senior-Young People Camp and Christian Workers School held at Claflin College.
13. That preparation be made in the beginning of the year for district and local church programs of Christian Education.
14. Whereas, there has been an overwhelming demand from time to time for scholarship for worthy students from various charges over the conference. Whereas, these requests have reached the proportion beyond which the College is able to absorb. And whereas, we feel these worthy young people should not be denied the opportunity for a college education. Therefore, be it resolved that each local church be encouraged through its youth organization and church school to raise necessary funds to supplement expenses of worthy students. This money should be sent directly to the College as a scholarship for the student from that charge. This will encourage the young people of the charge to get an education and also return to local community and render service.

REPORT OF THE CONFERENCE MISSIONARY PROGRAM

Bishop Bowen, members of the Conference and Friends: I have endeavored to promote Missionary Education and Cultivation throughout the Conference on the district level, by planning a uniform program for the District Missionary Institutes. This pattern was sent each of the District Missionary Secretaries, also a copy was sent to each District Superintendent.

Institutes were held on each district in the Conference. An entire day was given to this cause on some of the districts, others designated a period during a group meeting, or a convention. These Institutes were well attended in most instances, and the response registered in the presentation of the themes or subject matter was very encouraging. The Woman's Society of Christian Service cooperated on some of the districts. The district Superintendents rendered valuable service.

I have attended most of the Institutes and participated in the discussions or delivered an inspirational address attempting to stimulate interest in missions. I attended the inter-board meeting held in Columbia, the Area Council held in Daytona Beach, Fla. We set up a mid-year meeting of the Conference Board which met in Charleston in May, Centenary Church I was present.

OUR GOALS

1. A continuation of the District Missionary Institutes on each district, enlisting the coordinated services of the Woman's Society of Christian Service.
2. To have the District Missionary Secretary regarded as the most valued associate of the District Superintendent in the development of the missionary spirit and the promotion of "missionary specials" in the charges of the district.
3. To promote the closest cooperation between the District Missionary Secretary and the Woman's Society of Christian Service, in the promotion of missionary education and cultivation, also, the promotion of a wider circulation of World Outlook.
4. To organize a Board of Missions on the charge level, in every charge.
5. To promote a church School of Missions where possible.

6. To promote the study of the Annual study books prepared by the General Board of Missions and Church Extension, and such material as will furnish information for Missionary Education and Cultivation.

Sincerely,

J. W. Taylor, Conference
Missionary Secretary

SUMMER ACTIVITIES AND SUMMARY**JOHN'S ISLAND RURAL CENTER****December Through October, 1950**

From the report of last year of some of the needs, it is to be noted, with thanks that some of them were met.

Two workers were supplied through the Department of Work in Home Fields, Bureau of Town and Country, in cooperation with the Personnel Bureau. Miss Ludora Darden and Miss Rebecca Hollingsworth spent eight weeks working in the capacity of camp counselors, recreational leaders and assisting with the four Vacation Church Schools.

Another supplied need was that of a large, extension table donated by Miss H. Louise Mouzon.

Boxes, cards and literature of various types have been received from several supply secretaries WSCS and interested friends.

An Emancipation program was held, the Annual Community wide Easter Egg Hunt, Health and Agricultural Programs, motion pictures, camp and recreation were among the activities sponsored at the Center. The Charleston District WSCS Annual Meeting also held. Girl Scouts had two weeks day camp and a local group of girls had a week's camping experience living for the entire period at the Center. From one of the letters of the campers, which was composed for and read on Talent Night, we have this statement: "I've learned a great deal at this my first camp experience. I never had such fun in all my life. I especially enjoyed the big camp fire on Thursday night, where we sang, told jokes, recited and ate peanuts around the interesting camp fire." This was open house night, when the parents and friends visited with the campers. As she continued—"the hardest time I had all during camp was going to sleep at night. Those who could not come, really missed a wonderful time."

Four Vacation Church Schools were held during the summer with an attendance of 367. During the eight weeks period, Thursday evening recreation was held weekly and brought together from 30 to 80 young people each week. Holidays always find a large number who drift in for indoor games and baseball.

From December last year to date 958 books from the lib-

rary have been circulated. 9 children received certificates from the summer reading club.

Eighty-five children attended the monthly clinic with a total of 201 visits.

Civic and church groups have made frequent use of the buildings. Besides the churches of the charge, Ferry Field Baptist Church, a youth group and a Sunday School Moonlight picnic of Pinopolis charge, The Methodist church, upper Charleston District, held activities in the building and grounds.

Equipment needs still outstanding: Ice box, Projector and screen, Reading lamps, Curtains, Bulletin boards, Chairs, Recreational equipment.

Again we are thankful to God and you who are sharing in making possible this adventure in rural community service.

REPORT OF THE CONFERENCE BOARD OF MISSIONS AND CHURCH EXTENSION—1949-1950

Bishop Bowens and members of the South Carolina Annual Conference: We, the members of the Board of Missions, herewith submit this our annual report:

This report is divided into three parts: the secretary of the Board will give a detailed report of the Maintenance received and the distribution and will give a report of the work that is being done at John's Island.

The Conference Missionary Secretary will give a report of the Cultivation Work done and our plans for the next Conference Year.

During this year two meetings were held, one at Centenary Methodist church, Charleston, S. C. This was a mid-year meeting, it was well attended by the members of the Board and the Conference as a whole. The total picture of Missions and Extension as it relates to our Conference was undertaken there and Objectives for the Conference were set forth. A tour was made of the Churches of Charleston and to John's Island.

At our meeting in September, which was held at Cumberland Methodist Church, the Rev. Charles F. Golden, Director of Field Service was present. And with the Board and District Superintendents a complete study of the Maintenance of our Conference was made. It was suggested by Rev. Golden that the annual conference board would pay special attention to the place where money was sent, rather than to the man. The Board appreciates so very much the service of Rev. Golden.

During the Area Council of the Atlantic Coast Area, which was held at Daytona Beach, Florida, Bishop Bowens gave three of the ten Objectives to Missions and Extension, it is hoped that our Area and our conference in particular will carry out these Objectives.

1. Establishment of new congregations—one per district a minimum.
2. Proper care and upkeep of church property. (4).
3. Regular and consistent payments on church debts. (7).

This year the Board of Missions has received \$225.00 for Cultivation.

At the beginning of the year, the General Board of Mis-

sions held a Jurisdictional meeting at Gulfside. A similar meeting was held for the several Jurisdictions of the Church. The Gulfside meeting was January 3rd and 4th.

Rev. J. W. Curry, Rev. F. H. Grant and I were in attendance there. Our Bishops were also present. 19 recommendations were made.

At our mid-year meeting it was suggested that these 19 recommendations be made available to all of the District Superintendents of our Conference.

Within the near future this report will be given to the Superintendents and to the District Boards of Missions.

It is our hope that this Conference will develop to the extent that we can meet the task that is ahead for us to do. And that through our own effort Missions and extension will take its rightful place in our hearts and minds and in the development of the physical structure of this conference.

Theodore R. Frierson, Chairman

RESOLUTION AGAINST CAMPAIGNING.

Because of the interest and anxiety felt and shown by the ministers of our conference over the election of delegates to the

General and Jurisdictional Conferences; whereas, in the past a method of campaigning has been used which has not been conducive to Christian fellowship; and whereas the dignity of the ministry has been lowered by the types of speeches to which the people have been forced to listen;

Be it resolved: That this conference in the future shall look with disdain upon all types of public speech making and public campaigning on the part of any minister seeking to be elected as a delegate to the General Conference or the Jurisdictional Conference.

Be it Resolved: That this conference ask and intreat each and every member of the conference who desires the suffrage of his brother ministers to confine his campaign activities to personal contacts and personal solicitations.

Be it Resolved: That we work and pray to the end that the time may soon come when all types of campaigning for election to any office may be discontinued so that the office which we desire may have an opportunity to seek us. When that time comes, the members of the conference will be able to vote their convictions without coercion or out-side interference which is so often misleading.

Signed:—

S. M. Miller

RESOLUTIONS

Appreciation that ripens into thanksgiving is sanctioned by the Psalms of David and the demands of Christian graces.

The South Carolina Annual Conference here assembled is not without its full measure of this noble spirit. Since there is no practical way to demonstrate it now, we wish verbally to express our gratitude by resolving that the following persons and organizations together with others, merit by their valuable contribution to our Conference session, our sincere gratitude which will continue alive across the years to come.

Accordingly, we take pleasure in naming the Pastor, Choirs, sexton, and members of Silver Hill Church; all representatives

of Boards and Commissions of the Church; Rev. Clayburn, Presidents of our Schools, Singers from Claflin College, the Bethlehem Center, and finally, Bishop J. W. E. Bowen whose inimitable, suave, and forceful leadership is responsible for it all.

 Spartanburg, S. C.

Gentlemen:

Pursuant to engagement I have examined your records for the period December 21, 1949 to December 23, 1950, and present my report through the following described Exhibit and Schedule.

EXHIBIT A—Statement of Receipts and Disbursements
 for the Period December 21, 1949 to December 23, 1950

Schedule A-1—Accounting for Balance-Cash on Hand
 and in Banks, Dec. 23, 1950

The balance in the bank, as presented in Schedule "A-1", was verified by correspondence with the depository, Citizens and Southern National Bank, Spartanburg, S. C. Cancelled checks and deposits of the period were checked against the records. Cash items, which were presented for examination, are represented by returned checks of C. C. Reynolds and C. J. James.

I have been advised by the Treasurer that all districts have discontinued the practice of making remittances through a District Superintendent.

Duplicate official Conference receipts issued for remittances from various individuals were presented for examination. These duplicate receipts were not bound, prenumbered, or in an order whereby they could be traced to the deposit slips.

Disbursements were made by check and appear to be proper charges against the Conference.

It is recommended that duplicate receipts be issued from a pre-numbered and bound receipt book. The duplicate receipts should be designated so that they may be easily identified with the entries on the duplicate deposit tickets. Receipts should be issued promptly upon receipt of remittances.

Due to the fact that the duplicate deposit slips could not be verified I am unable to express an opinion as to the correctness of the accompanying Statement of Receipts and Disbursements of the South Carolina Conference, Central Jurisdiction for the period December 21, 1949 to December 23, 1950.

Respectfully submitted,

ALLEN M. McRAE

Certified Public Accountant
